But  
he's really  
nice to me  
sometimes

It really  
bothers me  
that he  
always  
bothers me.

I'm  
surprised by  
how cold  
he is.

Weak.

When he  
was alive...

I'm sure he was  
really popular  
when he was  
alive.

Why did  
he die?

What kind of  
life did he  
have?

How old  
is he?

What kind of  
things does  
he like?

Damn it,  
once again,  
in front of  
Haruki...

Nii!

You  
don't  
want  
to?

Of course  
not!

I'm going to take  
a nap, eat with  
someone else.

Haruki...

Haruki... Let  
at least eat  
something.

Yes

I won't stop  
you naked,  
okay still!

I'm not going to  
let him doing the  
naked here... I  
have to run away.

Even though Haruki  
left, there are still  
people here.

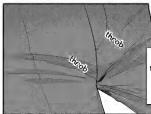

If it was my job,  
I'm sure it would  
feel better.

You'll be able to  
have sensations  
like this one.

Sensations  
like this  
one?

hah

hah

I won't  
give in  
so easily!

If I don't  
win this  
quest... I

in danger

It seems like  
you're waiting  
for me to come  
relieve you.

STEP

I found  
you, Yag.

You.

It seems like  
you've been  
anticipating  
this.

Either.

You've  
definitely  
been  
anticipating  
this.

Haven't  
you?

It's still  
loud.

Look,  
Yuu.

It's really  
wet.

**CLOSE**

When he was doing weird things to me a moment ago

SHOVE

Never  
young is.

Call in  
love

Uh

With a  
glass.

But!

I won't have  
a lover... that  
could disappear  
at any...

THRUST

But!

But!

THRUST

Ugh

PO-  
Right!

But!

But!

...sake

Kou...

...know that even  
if I was a human,  
you'd never go  
out with me.
